classes!

2011 Registration: Thurs, Jan 6 — Wed, Jan 19
2011 Classes: Mon, Jan 24 — Fri, Mar 25

KidzArt!

Jan 24—Mar 25, 2011 (8 classes for \$100)

Learn to draw and more with KidzArt! Our creative drawing classes help kids soar! We teach that there are no mistakes in art which encourages problem solving and thinking outside of the box. Students use high quality, professional art materials. It's fun experimenting with a variety of mediums including marker, pastels, charcoal, colored pencils and watercolors. Each week your child will complete a brand new drawing project made up of landscapes, animals, objects and winter themes. Come join us! *A minimum of 5 students needed.*

Science Seeds Science for Curious Minds

Jan 24—Fri, Mar 25, 2011 (8 classes for \$125)

In this hands-on, projects based class, students will gain a better understanding of how things work. They'll learn about the physical world through friendly challenges as well as by inventing and creating their own toys. Design, build and test new contraptions. Projects might include: engineering a battery operated car, building a model of a hand, learning about structures, building a boat out of recyclables. Projects will span biology, chemistry, and physics. *A minimum of 10 students needed.*

NO CLASSES on Monday, Jan 17 and Monday, Feb 21

If necessary, make-ups will be scheduled at the end of the Winter Enrichment Program. Make-ups are scheduled if the class has been cancelled due to inclement weather or unforeseen circumstances by the instructor teaching the class.
